Star Health Insurance Launches Doc Kendra in Tiruppur, Tamil Nadu to Bring Healthcare Closer to Communities

- ☞ *Doc Kendra offers primary health care services in Star Health branches acting as a gateway to advanced care*
- ☞ *Managed by doctor and paramedic with access to a general physician and specialists via telemedicine, the clinics ensure accurate advice and treatment for patients*
- ☞ *Open to the local community from Monday to Saturday, providing essential healthcare services free of charge*

Tiruppur, Tamil Nadu, 16 April 2025: Star Health and Allied Insurance Company Limited (Star Health Insurance), India's largest retail health insurance company, is proud to announce the launch of Doc Kendra, an initiative aimed at transforming healthcare access in Tiruppur, Tamil Nadu. The launch will be graced by the presence of the Chief Guest, Thiru. T Christuraj, I.A.S, District Collector, Tiruppur District and Thiru. MKM.R. Balasubramaniam– Deputy Mayor, Tiruppur City Municipal Corporation.

Balaji Babu, Executive President, Star Health Insurance, said, “Our Doc Kendra initiative is a step towards making healthcare more accessible and inclusive for everyone. By utilizing our branch network, we aim to complement the existing healthcare facilities and provide an additional layer of support to communities. Our initiative aims to offer people a convenient and dependable first point of contact for their health needs while ensuring they are guided toward the right care when needed. We believe that being part of a community means actively contributing to its well-being and through this effort, we strive to make a meaningful difference in the lives of those we serve.”

Speaking on the inauguration, the Chief Guest, **Thiru. T Christuraj, I.A.S, District Collector, Tiruppur District and Thiru. MKM.R. Balasubramaniam– Deputy Mayor, Tiruppur City Municipal Corporation,** said, “The Doc Kendra initiative by Star Health Insurance represents an innovative approach to addressing healthcare accessibility challenges in our community. This program will help bridge critical gaps in our healthcare infrastructure and provide our citizens with convenient access to basic medical services. I believe such initiatives are essential for strengthening our healthcare ecosystem and ensuring that quality healthcare reaches all segments of our society. The Tiruppur City Corporation, Tamil Nadu welcomes this initiative and looks forward to its positive impact on the health and well-being of our residents.”

As part of the Doc Kendra initiative, Star Health branches in Tiruppur, Tamil Nadu will feature a dedicated clinic zone with a consultation area, managed by a doctor and a trained paramedic during branch working hours from Monday to Saturday. The clinic will offer primary care services and provide access to a general physician for consultation and diagnosis. The paramedic will check basic health indicators and supporting the doctor in providing accurate consultation and care. Specialist doctors will also be available through telemedicine for advanced care when needed. This facility will be available to the local community, with the option of being offered free of cost or at a nominal fee.

The Doc Kendra initiative marks an important step in Star Health’s journey to support healthier communities. By bringing basic healthcare services closer to people, it offers them a trusted space to address their health concerns and find guidance for further care when needed. This initiative serves as a bridge, connecting people to the care they need and guiding them through their health journeys with

support and care. More than just an initiative, Doc Kendra reflects Star Health's understanding of the importance of being present, involved, and supportive in the lives of the people it serves.
