- Now, type your Aadhaar or license number.

The screenshot shows the 'Create ABHA Number Using Aadhaar' page on the [abha.abdm.gov.in](https://abha.abdm.gov.in) website. The page has a blue header with the National Health Authority logo and a 'Create ABHA Number' button. Below the header is a navigation bar with links: Home, About Us, Resource Center, Support, ABHA Login, Facility Login, and ABHA Address. The main content area is titled 'Create ABHA Number Using Aadhaar' and shows a progress bar with four steps: 1. Consent Collection (active), 2. Aadhaar Authentication, 3. Communication Details, and 4. ABHA Address Creation. The 'Consent Collection' step contains a form for 'Aadhaar number\*' with three input fields for the number and a 'No' icon. Below the input fields is a note: 'Please ensure that mobile number is linked with Aadhaar as it will be required for OTP authentication. If you do not have a mobile number linked, visit the nearest ABDM participating facility and seek assistance.' Below this is a 'Terms and Conditions' section with a scrollable text area containing the declaration: 'I, hereby declare that I am voluntarily sharing my Aadhaar number and demographic information issued by UIDAI, with National Health Authority (NHA) for the sole purpose of creation of ABHA number. I understand that my ABHA number can be used and shared for purposes as may be notified by ABDM from time to time including provision of healthcare services. Further, I am aware that my personal identifiable information (Name, Address, ...'. Below the terms is an 'I agree' checkbox. The 'Authentication type\*' dropdown is set to 'Aadhaar OTP'. Below this is a 'Captcha\*' section with a visual captcha '2x2?' and an 'Enter answer' input field. At the bottom right of the form are 'Cancel' and 'Next' buttons. The footer of the page contains logos for the National Health Authority, Ministry of Health and Family Welfare, Government of India, and the Digital India campaign.

- Type that OTP in the box provided so that a 14-digit Digital Health Card or ABHA will be created immediately.
- Knowing how to register Abha card online, will help you and your family members who might not be able to register online. After you register for abha card, know how to download it. Once the abha card registered for you, then you can download it immediately.

## Ways to Download ABHA Health Card Online

Let's discuss Step-by-Step Process to Download ABHA Health Card Online. Currently, ABHA card download can be done in two different ways: through the ABHA Portal or the ABHA App. The Abha card download by aadhaar number is done through the ABHA Portal. Find out here how to download Abha health card.

### Download ABHA Card through the ABHA Portal

Both registered and unregistered members can easily download ABHA health card online through the official ABHA portal. Here are the steps to make an ABHA Card Download.

#### I) Registered Users

After the Abha card registration process, you may search for the steps to download an ABHA ID card. For registered users, after Abha health card registration, you can follow the below steps for the ABHA health card download process :

- Go to the official ABHA website '<https://abha.abdm.gov.in/abha/v3/login>'.
- Next, log in to your ABHA account with the help of either your 'Registered Mobile Number' or your 14-digit ABHA Number, according to your wish.
- Then, solve the captcha puzzle and choose the option 'Next'.
- Enter the OTP you get on your mobile number for proper verification purposes.
- On the next screen (that is the Abha card download login screen), tap the 'Download ABHA card' option that is seen on the top of it. This will finish the ABHA card download process.

#### II) Unregistered Users

If you are an unregistered member, you must create an ABHA ID and download your ABHA Health ID card. You can follow the below steps to make the Abha health card download.

- Visit the official ABHA website '<https://abha.abdm.gov.in/abha/v3>' and tap the 'Create ABHA Number' option.
- Select if you wish to create your ABHA ID using your Aadhar Card or Driving Licence.
- You could just fill in the necessary details and choose the 'Next' button.
- Just enter the OTP, your mobile number, and other needed details to complete the registration process.
- After your registration is successfully completed, your ABHA health ID will be created.
- You can tap the View Health Card option and click on the Download option to download your ABHA Card successfully.

### Download ABHA Card through the ABHA App

Let's discuss how to download abha card via the ABHA App. There are many abha card benefits in private hospitals. You can download abha card online through the app. Below are the steps to finish your ABHA ID download process via the ABHA mobile application :

- Just download and open the ABHA application on your mobile.
- You can log in to the application with your Mobile Number, ABHA Address, or ABHA Number. You can also select to log in using your Email ID.
- **Note:** If you make an Abha card login using the mobile number, use only the Abha card registration mobile number here, not your other mobile numbers.
- When you make an abha card download by abha number, you can enter the 14-digit numbers.
- Just fill in the necessary information and enter the OTP for further verification.
- On the dashboard, tap the profile option on the top right side of the screen.
- Now, tap on the Download button and then click on the View/Download ABHA address card option to download the card on your device.
